

Soil Steward Meeting 3/27/08

Unsure if anyone is available for tabling at Vandal Friday or Palouse Empire Saturday (March 29th) – if anyone is available pick up tabling supplies in greenhouse.

So far 1 bushel sold for CSA shares!

Coming up soon, farm work day – sometime in the evening next week (2 weekdays) if weather is ok (not snowing!). We want to clean up the farm so it's ready for transplants as soon as it's dry enough.

Rides to be arranged if needed, Lydia will send out an email.

April 26th is Earthfest – music out front of Tower lawn on campus, start to setup at 3pm, event goes from 4pm to late evening (9pm or so). Get someone to table?

Ben is our official photographer!

Chau collected more money for the T shirts (we sold 29!!) and will put in the order tomorrow (Friday). Shirts will be ready from the shirt shack April 7th and Chau will email when they are ready to be picked up.

Next meeting at the Greenhouse at 5pm, April 3rd.
