Soil Steward Meeting with Campus Dining – Mike Thomsen

1. Campus Dining has a commitment for long-term purchasing
2. He needs a list of what we grow and time availability
 - Create a Calendar
3. Then decide what they will buy, then we will plan, and then grow for Campus Dining
4. Communication Pathway
 - Chef John is our go-to person
 - Brian Day is purchasing person
 - Shane ? is produce purchaser
5. Matt Smith stated that by the end of February we will have a the calendar ready for Campus Dining

Potential produce grown for Campus Dining

- carrots
- potatoes
- salad mix
- fresh herbs
